To reserve a room, call the Grand Teton Lodge Company at 1-800-628-9988 and specify the Jackson Lake Lodge; 2009 National Citizen Review Panel Conference.

WE HAVE SOME IDEAS, BUT WOULD LIKE TO KNOW WHAT YOU WOULD LIKE ON THE AGENDA AT YOUR CONFERENCE.

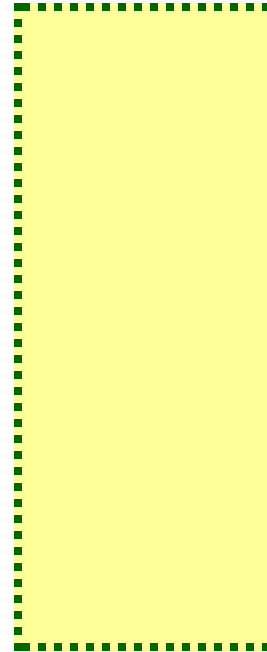

PLEASE, EMAIL YOUR IDEAS TO WYCRP@WYCRP.ORG OR CALL US AT (307) 632-0032.

We guarantee you, our guest, a physical setting for this conference that is incredible; and we guarantee you an agenda that will justify your time and travel expenses.

There are a few things we cannot guarantee, however, and that is the unpredictability of the weather, and behavior of wildlife such as moose and grizzly bears. Please, pack for any type of weather, but know that under the worst of conditions, the ambience created by the fireplaces in the lodge will more than make up for any inclement weather. Additionally, please review the wildlife precautionary guidelines at: <http://www.grand.teton.national-park.com/>.

See you May 20-22, 2009 in Wyoming!
